THREE WAYS TO ORDER

Packages

The most convenient and cost-effective option we have. These are the most used and desired grocery items curated for your stay – that could be used in a hotel room, a studio, or villa with a full kitchen.

Individual Items

We have a list of items that can be purchased individually. We offer the option to fully shop from this list or add on specific items to a package that has been purchased.

Customized List

We offer the option to submit a list and have someone from our team do the shopping. We will then price it out and send an invoice for payment prior to delivery. We need at least 48 hours notice prior to delivery to properly offer this service.

Personalized Merchandise

- Order items that will come in handy on your trip
- Commemorate a special occasion
- We offer tumblers, power banks, bags, and totes
- Add a name to personalize any item
- Add a specially designed piece of art of your resort
